

Some Heroes Still Wear White...

Honor Your Physician

This Doctors' Day, March 30

If there's a physician on staff at Leesburg Regional Medical Center or The Villages Regional Hospital who is your personal hero – or a hero to a family member – we invite you to join us in honoring him or her this National Doctors' Day.

Recognizing the courage, compassion and sacrifice of your physician with a gift to the Alliance Healthcare Foundation, is a wonderful way to pay tribute to your doctor, while helping us invest in vital programs and services that advance excellence in medical care.

Just fill out the attached form and mail it to us, or visit us online at CFHAlliance.org and click on "Foundation" and "Donate Online Now".

Be sure to include the name of the physician(s) you are honoring, and your personal message of thanks, and we will pass along your kind words to that physician. Your donation amount will remain anonymous.

Gifts received after Doctors' Day are always welcome, and your message will still be shared with the doctor(s) you choose to honor.

Enclosed is my donation to the Alliance Healthcare Foundation. I am making this a donation to specifically recognize the excellent care provided by:
